Welcome and Introductions

- Welcome

GoldenLEAF Grant update

- Bobby sent the request to Golden LEAF for an extension to accommodate the delay in the last site location for the remaining platform
- J. Bass has a contract to empty facilities three times per year, clean brush back from the walkways and platforms, and the contract will extend for three years
- Considering a sign to remind campers to close the facility lid to keep rain water from filling the tank
- Possibility to do site at Parks and Rec location if the other doesn't work out

Treasurer's Report

- \$3,452.75 balance

Ped Project from Town

- Tabled until Sue returned from Washington trip
- 1 mile stretch along the shoreline part of the 2.6 mile loop around the Commerce Park area and Parks and Recreation field that we'd like to designate as a trail; possibly use Recreational Trail grant to make a more permanent path and signage

Discussion:

- Bethel Loop signs would cost \$200 and need to find out quantity of posts needed
- Steve will check to see cost of ISF booth if we plan to sell any of our items

- We will cancel the Trailblazers web site and redirect it to Paths of Perquimans site. There will be a link for Trailblazer information so it will not be lost.
- Goodwin Creek has now been marked with signage
